THE LANDMARK SERIES

The Landmark Series is inviting and modern for both sports betting and casino loyalty applications. The terminal accommodates a full range of transactional components for automated sports betting and guest loyalty. The contemporary zero-bezel user interface is complemented with programmable ambient LED lighting to elevate the platform look and feel. This design has a front-opening door for easy component access and simple service / maintenance.

The Landmark Series makes it easy to automate guest services and keep demand serviced efficiently during peak hours, providing a user-friendly and cost-effective transaction. The 21.5" PCAP touch screens provide a brilliant user interface and on-screen interactions. The overhead display is intended to be utilized for complimentary advertising and media, supplementing the primary application interface.

Designed for ADA compliance, the Landmark Series provides universal guest services.

This sleek and modern platform has been well-received by global Sports Betting industry leaders.
