

Patient Check-in Kiosk Solution

- ✓ **Streamline Check-In:** Patients can quickly check-in, verify information, sign documents and make a payment with ease.
- ✓ **Collect Payments:** Request payment with the built-in credit card reader to ensure up-front collections.
- ✓ **Increase Patient Satisfaction:** Many patients prefer to use a kiosk and can use it at their own pace.
- ✓ **Reduce Cost:** Augment your existing staff with a self-service solution to free up valuable time for other important tasks.
